

**Federation of State Boards of Physical Therapy
Jurisdiction Licensure Reference Guide
Topic: Direct Access**

Each licensing authority indicates the level of direct access allowed in the jurisdiction and the type of limitations that apply to this access. There are two tables:

- Types and Limits
- Referrals

TYPES AND LIMITS

This table reports the kinds of direct access PTs are allowed. If there is limited direct access, it reports the type of limitations.

Summary of Access	
No. of jurisdictions that have unlimited direct access	17
No. of jurisdictions that have limited direct access	33
No. of jurisdictions that have no direct access	2

Summary of Limitations	
No. of jurisdictions that allow an evaluation without referral	10
No. of jurisdictions that allow for fitness and wellness	13
No. of jurisdictions that have visit or time restrictions	23
No. of jurisdictions that have setting restrictions	7
No. of jurisdictions that require a specific degree or years of clinical experience	10
No. of jurisdictions that allow for pediatrics	7
No. of jurisdictions that require a diagnosis or referral	3
No. of jurisdictions that require a prior referral to physical therapy for same issue	4
No. of jurisdictions that require notification of the MD	13
