Purpose:
Understanding the current United States Health Workforce enables Federal and State Governments and Health Professional Associations and organizations to utilize common terminology, more appropriately plan for supply and distribution of the health workforce, build better models of supply and demand, healthcare education and develop programs and policies that can be evaluated for effectiveness. The Federation of State Boards of Physical Therapy (FSBPT) in conjunction with the American Physical Therapy Association (APTA) and Health Resources and Services Administration (HRSA) has developed the following survey questions to help better understand the current United States Physical Therapy workforce.

Section 1: Demographics
1. What is your given first name?
2. What is your middle name?
3. What is your last name/surname?
4. Gender?
   a. Male
   b. Female
   c. Other
   d. I prefer not to answer

5. Which of the following best describes your race or ethnicity? You may select more than one.
   a. American Indian or Alaska Native
   b. Asian
   c. Black or African American
   d. Hispanic, Latino, or Spanish origin*
   e. Native Hawaiian or Pacific Islander
   f. White (not Hispanic)
   g. Other
   h. I prefer not to answer

5a. Which of the following best describes your Hispanic, Latino or Spanish origin?
   a. Cuban
   b. Mexican, Mexican American, Chicano/a
   c. Puerto Rican
   d. Portuguese
   e. Spanish
   f. Other Hispanic, Latino, or Spanish origin
Section 2: Licensure and Education
1. Which license or certification do you hold?
   a. Physical Therapist
   b. Physical Therapist Assistant
   c. Both

2. Enter your license number.

3. What is your entry-level physical therapy degree?
   a. Certificate
   b. Associate
   c. Bachelors
   d. Masters
   e. Doctor of Physical Therapy

4. In which year did you earn your entry-level physical therapist or physical therapist assistant degree?

5. Did you complete your entry-level physical therapist or physical therapist assistant education in the United States?
   a. Yes
   b. No

5a. In which state did you receive your entry-level physical therapist or physical therapist assistant education?
5b. In which country did you receive your entry-level physical therapist or physical therapist assistant education?

Section 3: Physical Therapy Employment Status
1. Are you currently employed as a physical therapist or physical therapist assistant?
   This includes non-patient care or a non-clinical environment related to physical therapy.
   a. Yes
   b. No

2. Select the option that best describes your current employment situation.
   a. Actively working in a field other than physical therapy
   b. Unemployed, but seeking work in physical therapy
   c. Unemployed, and not seeking work in physical therapy
   d. Retired

Section 4: Place of Practice/Work You will have the opportunity to list up to three places of practice/work.
1. In which of the following areas is your PRIMARY place of practice/work?
   Your Primary place of practice/work is where you spend the majority of your time. Select just one.
   a. Academic Institution (post secondary)
   b. Acute Care Hospital
   c. Home Care
   d. Inpatient Rehabilitation Facility
   e. Industry
   f. Non-patient care or non-clinical environment related to physical therapy
      (law, governmental or regulatory, medical sales, product development, public health, publishing, etc)
g. Outpatient Clinic affiliated with a hospital, health system, military or other government agency
h. Outpatient Clinic not affiliated with a hospital, health system, military or other government agency
i. Pediatric Clinic (non-school based)
j. Skilled Nursing Facility, Long Term Care Facility, Assistive Living Facility or Group Home
k. School System
l. Other, please specify

2. What is the zip code where your PRIMARY place of practice/work is located?

3. Do you have a SECONDARY place of employment?
   a. No
   b. Yes

4. In which of the following areas is your SECONDARY place of practice/work?
   Your Primary place of practice/work is where you spend the majority of your time.
   a. Academic Institution (post secondary)
   b. Acute Care Hospital
   c. Home Care
   d. Inpatient Rehabilitation Facility
   e. Industry
   f. Non-patient care or non-clinical environment related to physical therapy
      (law, governmental or regulatory, medical sales, product development, public health, publishing, etc)
   g. Outpatient Clinic affiliated with a hospital, health system, military or other government agency
   h. Outpatient Clinic not affiliated with a hospital, health system, military or other government agency
   i. Pediatric Clinic (non-school based)
j. Skilled Nursing Facility, Long Term Care Facility, Assistive Living Facility or Group Home
k. School System
l. Other, please specify

5. What is the zip code where your SECONDARY place of practice/work is located?

6. Do you have a third place of employment?
   a. No
   b. Yes

7. In which of the following areas is your TERTIARY place of practice/work?
   Your Primary place of practice/work is where you spend the majority of your time.
   a. Academic Institution (post secondary)
   b. Acute Care Hospital
   c. Home Care
   d. Inpatient Rehabilitation Facility
   e. Industry
   f. Non-patient care or non-clinical environment related to physical therapy
      (law, governmental or regulatory, medical sales, product development, public health, publishing, etc)
g. Outpatient Clinic affiliated with a hospital, health system, military or other government agency
h. Outpatient Clinic not affiliated with a hospital, health system, military or other government agency
i. Pediatric Clinic (non-school based)
j. Skilled Nursing Facility, Long Term Care Facility, Assistive Living Facility or Group Home
k. School System
l. Other, please specify

8. What is the zip code where your TERTIARY place of practice/work is located?

Section 5. Practice/Work Characteristics

1. How would you characterize your current employment status? (select just one)
   a. Self-employed
   b. Employed
   c. Combination of self employed and employed

2. Is any portion of your clinical work conducted through “Telehealth” or “Telemedicine?”
   Telemedicine is the provision of health care services to a patient from a health care provider who is at a site other
   than where the patient is located using telecommunications technology.
   a. Yes
   b. No

3. What age ranges do you predominantly work within your PRIMARY, SECONDARY, or TERTIARY clinical practice/work setting? Check all that apply, but only if you see that population group on a regular basis. (age ranges are approximate)

<table>
<thead>
<tr>
<th>Primary Practice/Work Setting</th>
<th>Secondary Practice/Work Setting</th>
<th>Tertiary Practice/Work Setting</th>
</tr>
</thead>
<tbody>
<tr>
