### **Advisories on Uploaded Documents to ProCert Submissions**

On occasion we receive submissions to ProCert with a large number of uploaded documents, or with very lengthy documents. In these instances it can be a challenge for reviewers to locate the precise information that substantiates the standard or criterion has been met.

To minimize the risk that critical information is obscured . . . [Read more...](#)

### **Survey Findings: PTs and PTAs Attitudes and Opinions on Continuing Competence Activities - Part I**

In 2016, FSBPT sponsored a survey of U.S. physical therapists and physical therapist assistants to gain a better understanding of attitudes and opinions regarding activities they pursue to maintain a level of competence. Over 1,100 PTs and PTAs participated in the survey, and their input supplied us with a great deal of information, including that below of likely interest to continuing competence activity sponsors . . .
