<td>Section 9 of the Governor’s Proclamation issued on March 17 eases rules that establish preconditions, limitations, or restrictions on the provision of telehealth services and other administrative rules that require face-to-face interactions with health care providers. This is intended to suspend rules that may require a physical interaction prior to utilizing telehealth or otherwise restrict the types of services or manner of services that can be provided via telehealth. The Board’s rules on telehealth do not impose any such requirements—therefore, this Section has no effect on the Board’s rules.</td>
